

JUNIOR KINDERGARTEN - GRADE 12

2024-25 Schedule of Fees

Tuition and Fees

North Cross School tuition and fees are shown in the tables below by grade and program. Generally, when all students participate in our programs, most program-related fees are included in tuition. For example, if the grade goes on a field trip, the fee for that trip is included. Tuition includes classroom equipment, intramurals, Symposium (grades 8–12), and standardized assessments in lower grades. Student-specific fees (such as cafeteria charges, books for specific courses, AP tests, lab or art supplies, etc.) are charged to the individual student. North Cross does not charge a fee to participate in athletics, but parents may be charged if teams incur hotel charges for overnight travel or meals.

Financial aid is available through our Tailored Tuition program for students in grades K–12. A family's Tailored Tuition is based on a family's ability to pay tuition and is intended to help with some of the cost associated with choosing to attend North Cross.
